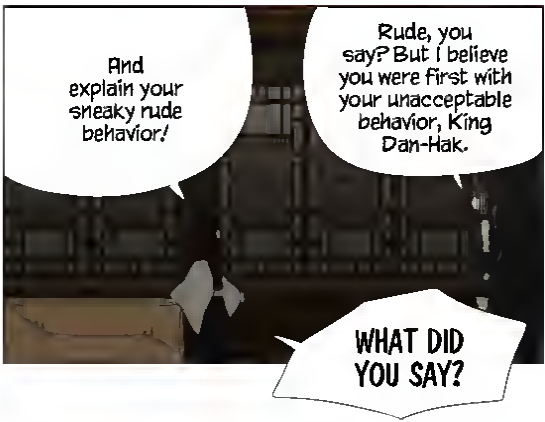
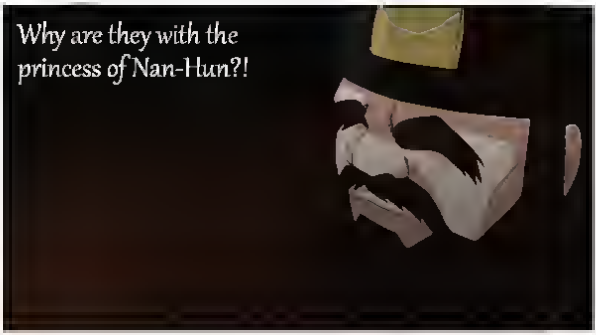
Why are you here, Princess No-Woo?



And explain your sneaky rude behavior!
Rude, you say? But I believe you were first with your unacceptable behavior, King Dan-Hak.
WHAT DID YOU SAY?

I overhead what you just said. And you're going to play innocent?
D-Do you really think anyone would believe you? You have no evidence!
We could get evidence by forcing that servant to confess.
Oh, unless you really believe he is loyal to you and won't confess?
And then,

...what about these Divine Bells?
HEY!!!
Pop



Why are they with the princess of Nan-Hun?!

You two heard it, right?
That the King of Bu-Ho ordered Hoa-Back to be killed?
Yep! We heard it all right! That's why we went to rescue Hoa-Back!
That's right!
And you still want to play innocent?

O-OKAY, SO I DID GIVE ORDERS TO KILL NAN-HUN'S DIVINE BELL. BUT I DIDN'T SEND THE ONES WHO ATTACKED YOU, PRINCESS!
I DID NO SUCH THING!
Yes, I am aware of that. But that does not justify your order to kill Hoa-Back.

Don't you agree?
Because if those assassins did not attack Hoa-Back, then your men would have.
...
And the other men left behind something rather interesting.
Holds up
BUT, THAT'S...!

A Bu-Ho Identity Tag!!
ARE YOU TRYING TO FRAME ME WITH THAT?!
The ones who attacked me are trying to frame you - not I, Sire.
WHAT ARE YOU...?
Those men wanted to assassinate Hoa-Back and I, and shift the blame onto Bu-Ho.

NO! I DID NOT ORDER MY MEN TO KILL YOU, PRINCESS NO-WOO! I JUST WANTED TO REMOVE THAT DIVINE BELL!
AND EVEN IF THAT FAILED...

...I just wanted to create a rift between Dae-Hyun and Nan-Hun.

A few Nan-Hun soldiers witnessed your Identity Tag at the scene.
If my mother or Dae-Hyun hears of this, Bu-Ho will end up in a very unfavourable situation.
Especially from Dae-Hyun, when they realize that you attempted to sour the relationship between Dae-Hyun and Nan-Hun.

What do you want from me?
You took the effort to detour on your return to Nan-Hun to come and see me. So you must be after something!
That is correct. I came to you, King of Bu-Ho, to ask you for a favor. Although this favor...

May
as well be
a threat.

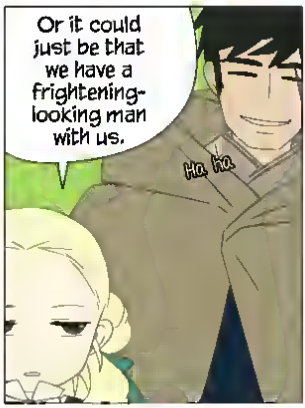
Maybe it's because we're not from this town?

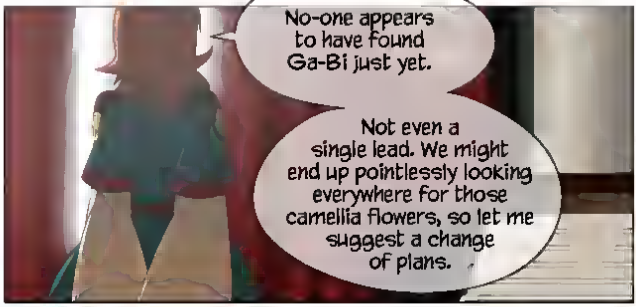


Or it could just be that we have a frightening-looking man with us.
Ha, ha.

Should we split up and ask around?
Like Wi-Jin said, they might just be nervous because we're such a large group.

But it does seem like the century-old priestess is a very important figure in this town.

Then let's split up and regroup again here in an hour.



No-one appears to have found Ga-Bi just yet.
Not even a single lead. We might end up pointlessly looking everywhere for those camellia flowers, so let me suggest a change of plans.

You mentioned that you lost segments of memories of your previous life, but have you recalled anything else?
I believe your memories hold the greatest clues, Emperor Baek-Yeom.

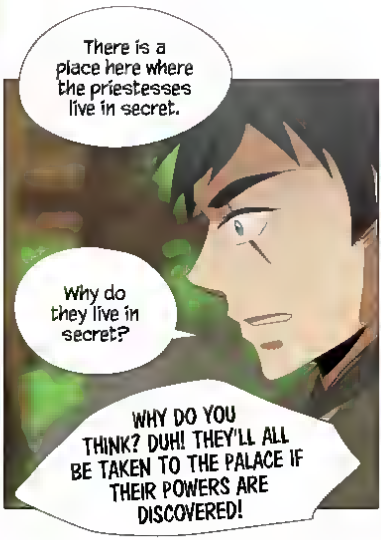
GREAT!

So, where does that priestess live? Come on, let me in on it.
Glance
Are you here for the elixir of immortality, too? If you are, no such thing exists, so beat it!
Then you're saying the elixir is a fake?

It is true that it's a great tonic for your body, but it's no elixir.
Some fool blabbed about it and outsiders keep on visiting this town to look for the priestesses!
Priestesses? So there's more than one?

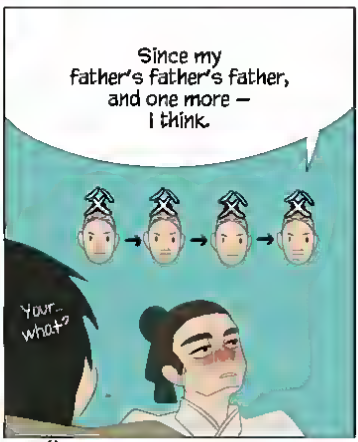
Keep this a secret, but...



There is a place here where the priestesses live in secret.
Why do they live in secret?
WHY DO YOU THINK? DUH! THEY'LL ALL BE TAKEN TO THE PALACE IF THEIR POWERS ARE DISCOVERED!

Here in Dae-Hyun, anyone with powers is taken to the palace, aren't they?
So you're saying everyone plays innocent to fool the emperor?
'AT'S RIGHT!

So why do the village folk protect those priestesses so fiercely?
It's just a tradition for us.



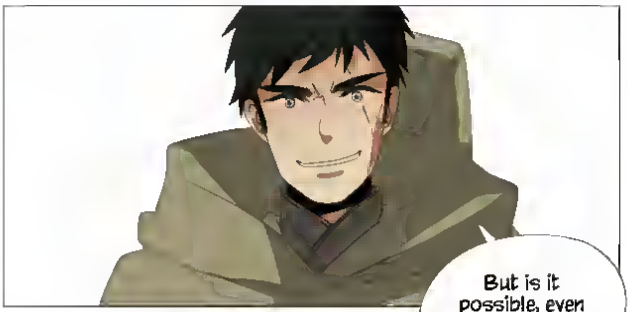
Since my father's father's father, and one more — I think.
父 → 父 → 父 → 父
Your... what?

T/N. 父= Father

Anyways, I guess this big-ass fire broke out in the village back then.
The raging fire was torching houses, buildings, and even people. But then...
What?
W-What's that?

Some woman appeared, and brought the rain, and saved the village.

She made it rain??



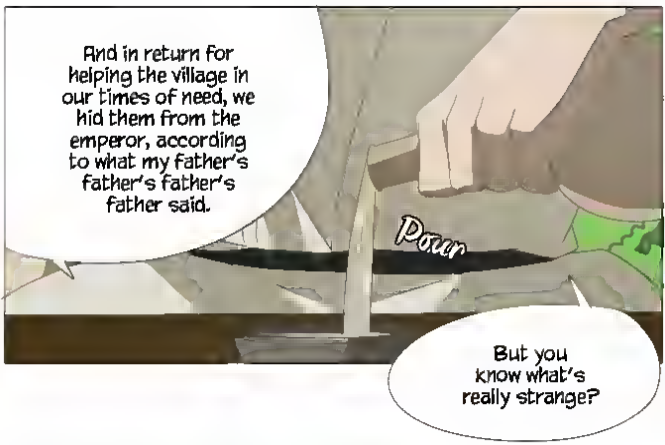
But is it possible, even for a pri...

Then again, he can shoot flames from his hand...

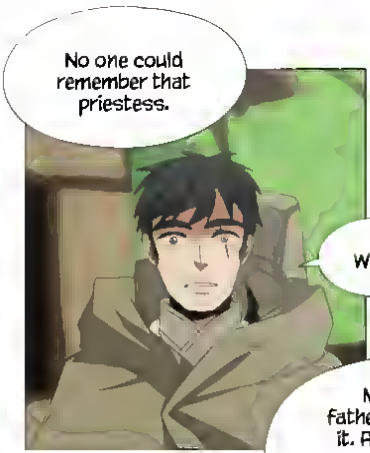
I suppose it's possible.

So the priestess continued to live here. She gathered some priestesses that didn't want to serve the palace,

and eventually their numbers grew.



And in return for helping the village in our times of need, we hid them from the emperor, according to what my father's father's father's father said.
Pooo
But you know what's really strange?



No one could remember that priestess.
What?
My father's father's... ah, screw it. Apart from my ancestor, you see. So eventually everyone called him crazy.

But he felt that he should keep quiet about the priestess living in our village.
...
Even though he can't even remember her.

Everyone thinks I'm a fool when I tell them this story has been passed down in my family.
But anyways.

THIS VILLAGE HAS KEPT ITS SECRET FOR OVER A CENTURY!
IT'S BECAUSE OF THE ASS WHO SPILLED THE BEANS ABOUT THE ELIXIR OF IMMORTALITY!!
Calm down.
Now, Now
LETTING THE VILLAGE PEOPLE KNOW ABOUT IT! AND NOW OUTSIDERS KEEP ON COMING!!

WHAT IF THE EMPEROR FINDS OUT?!
Then, where do the priestesses live?
I CAN'T TELL YOU!!
Push
Hey, come on. You've already said this much. Come on, tell me. I'll keep it to myself.
You better not tell anyone, got it?
OF COURSE!

There's a large cave, deep inside that mountain.
You will see when you pass by.
THANKS! NOW THEN, IF YOU'LL EXCUSE ME.

Oh, by the way...

That's amazing, Sir Baek-Yul! I can't believe you found it!

Well, people always want to leak a secret if they're hiding one.
That's when the power of booze comes in.
Sir Gang-Hui on the other hand would've resorted to violence.
ARE YOU TALKING TO ME?

Did you drink, Master?
Just a little.
But if the elixir of immortality is a fake,
then maybe the rumors about the century-old priestess are also fake.

I'm more interested in the priestess who made it rain, rather than the hundred-year-old priestess.

Making it rain is impossible even for me.
If a priest-ess with that level of power existed...

Ga-Bi.

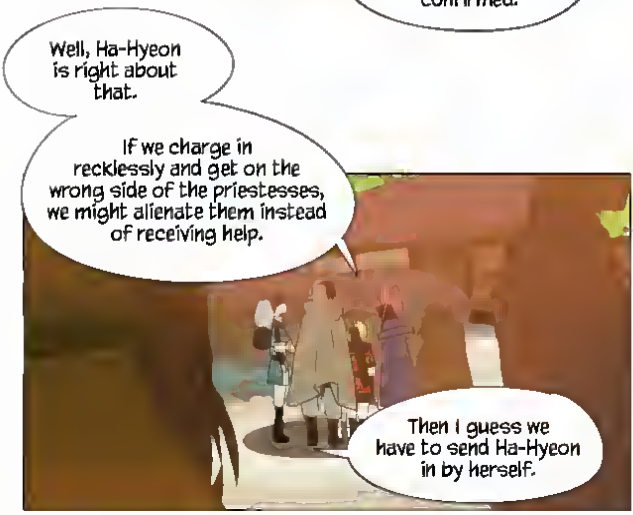
It had to be her.

If that's true, then doesn't everyone's memory loss make sense?
Ga-Bi erased all memories about her 150 years ago.
But she failed to wipe out every memory perfectly
if a handful of people still remember her.
Then the person I drank with could've been telling the truth
If Ga-Bi really made it rain, then the priestess' hideout might have some clues to her.
THEN LET'S GET MOVING.

Oh yeah, one more thing.
Apparently it's off-limits to males.

WHY?
How would I know?

Who cares? We'll just charge in.
No need to cause a scene when nothing's confirmed.



Well, Ha-Hyeon is right about that.
If we charge in recklessly and get on the wrong side of the priestesses, we might alienate them instead of receiving help.
Then I guess we have to send Ha-Hyeon in by herself.

But it doesn't feel right to send Ha-Hyeon alone into the unknown.
WELL, WHAT DO YOU SUGGEST WE DO?
DRESS LIKE GIRLS OR SOMETHING?
That's a great idea!
Hmm, cross-dressing...

Oh, please. Don't be such a wimp. I know Divine Bells heal faster than your average human.
YEAH, IT HEALS FAST. STILL HURTS LIKE HELL.

You all right?

You're pretty useless without that Divine stuff.
OH, JUST SHUT UP!

Are you sure about what you said before?
He must've lured me here to go after the kids.

Dunno. That could also be a trap.
But if that's true, they're in danger.

I'll try to make an opening
What?

It's difficult for you to handle that woman, right? Since your powers don't work on her.
So I'll deal with these guys.
And you go to the king.

ARE YOU SAYING THAT YOU'LL TAKE CARE OF ALL THESE GUYS?
I may look like this, but my family has been protecting the King of Myung-Ju for generations.
I have trained countless times for situations like this.

I'm really fighting the urge to rush to My Lord's side while sending you, so you must protect the king.
I won't forgive you if something ever happens to him.

I understand you completely.
But the problem is, how do I get out of here?

If that girl is out of the way, blowing the assassins away is a piece of cake.

However, when their powers eventually run out, their body regains its actual age.

They age rapidly then.
But you're still awake in this mist even as you age. You must've really been a truly great priestess.

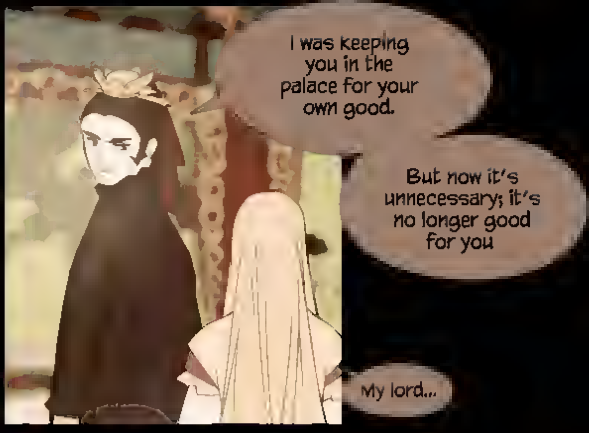
But I do mean it. I am being honest with you

You may leave the palace Ga-Bi.



I was keeping you in the palace for your own good.
But now it's unnecessary; it's no longer good for you
My lord...

People were afraid of you when you were young because you used your powers outside
So do not use your powers ever again outside the palace.

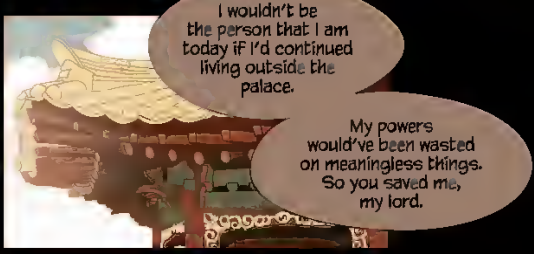
Do not get branded as a monster, and stop agonizing over it.
BUT... THE PRINCE WILL...

Don't worry about Baek-Yeom.
Ouch
SF& Flick

I will talk to him about it. He depends far too much on you and your powers since people avoid him because of his powers.
Why??
With you here, he can't grow up to be a fine man.
Sending you away is for your own sake,
...but also allows my son to mature.

Sorry.
I claim that this is for your own good, but I can't help being a father.

It was a great fortune to meet you and come here when I was young.



I wouldn't be the person that I am today if I'd continued living outside the palace.
My powers would've been wasted on meaningless things. So you saved me, my lord.

Thank you for all you've done.

So if Ga-Bi left the palace, what happened to the Divine Bells?

When I first opened my eyes, Baek-Yeom was emperor of Dae-Hyeon.

The diary must've started long before Baek-Yeom sat on the throne.

So this priestess Ga-Bi must've lived for a long time.

She sounds more and more amazing.

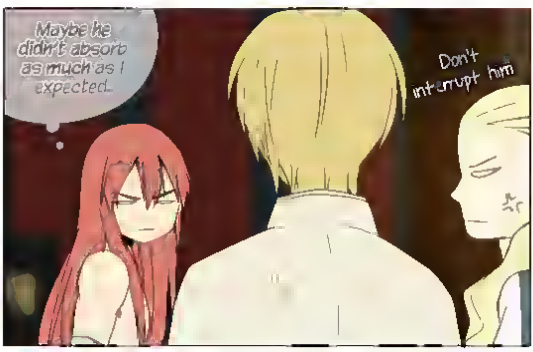
Continue.

Lady Ga-Bí,

...where should I put this?
Ah, leave that in the warehouse

WAIT, WAIT!
WHY ARE WE HERE? WHAT HAPPENED TO THE MIDDLE OF THE STORY??

I didn't get it. I don't seem to have those sections.



Maybe he didn't absorb as much as I expected...
Don't interrupt him

SFX. Lean

Silly me... I was so determined not to use my powers outside but...

It's rain!!
We're saved!
Hurray!
SFX. Pour

I suppose I cannot resist being kind.

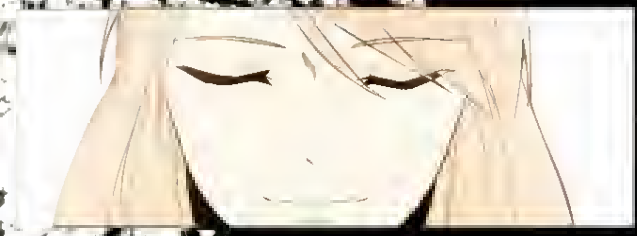
But...
Ha ha
...I should be okay if I spend my days quietly here.

Will this do?

It has been so long since I've felt this calm.

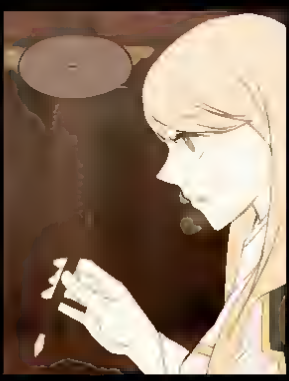
No one gives me unpleasant looks. No one fears me here

I feel as if I've returned to my younger days.



Back then, I didn't know any better.

I feel as if I wouldn't regret spending the rest of my life here.



I should visit that place when my time is coming to an end.

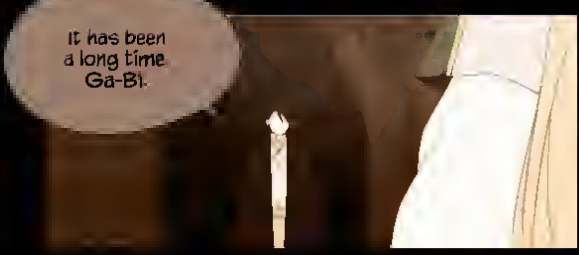
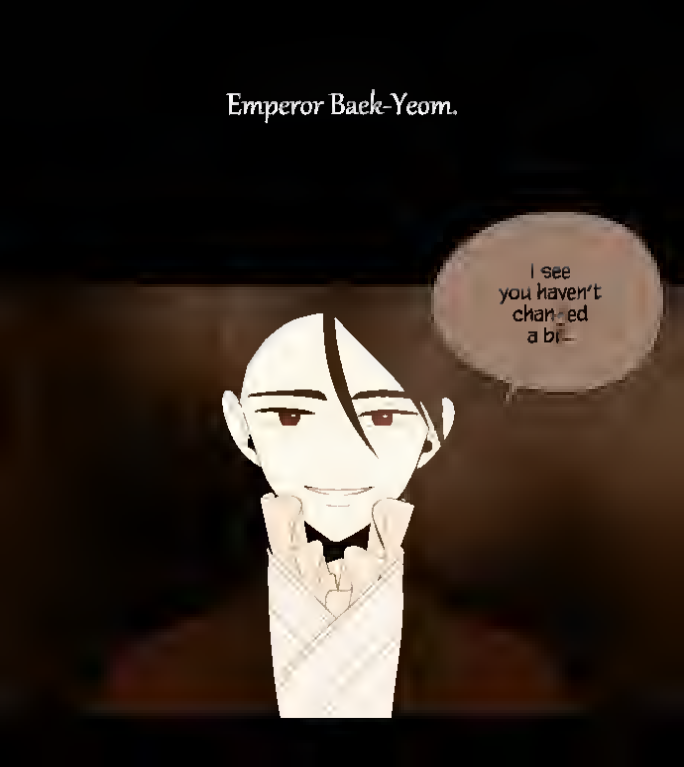
Divine Bells 1

Season 2, Chapter 27:
Diary

The prince became the emperor,
and he came to see me.



Emperor Baek-Yeom.



How did you find this place?
What do you think? I've grown a lot over the years, right?
I thought you might not recognize me, but I guess I was wrong.

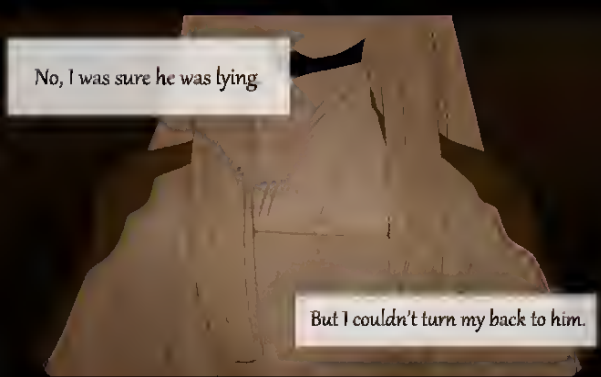
Prince...
No, I am the emperor now.
The news of a new emperor should've even reached a backwater like this.

Ga-Bi, come back to Tae-Ryung Palace again.

My father is unwell.
HIS EXCELLENCY?!

I was crowned Emperor because he fell ill. He wants to see you very much.
So come back to the palace with me Ga-Bi

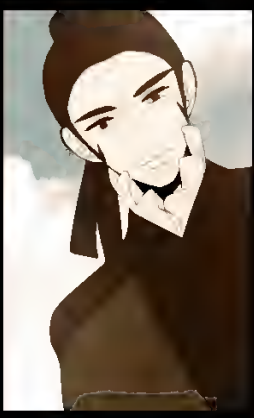
He might be lying.



No, I was sure he was lying
But I couldn't turn my back to him.

I was taken back to my younger days, when I could never turn this man down whenever I saw him.

Because his father had saved me



Can I change him?

Can I change him the way I changed?

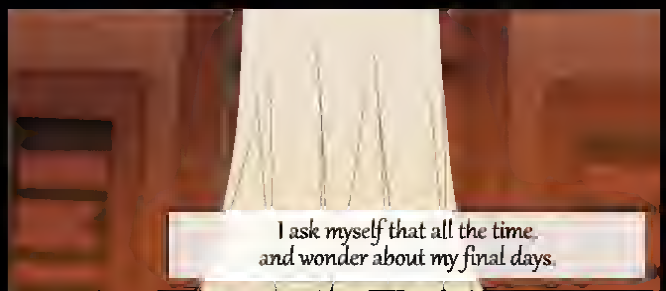
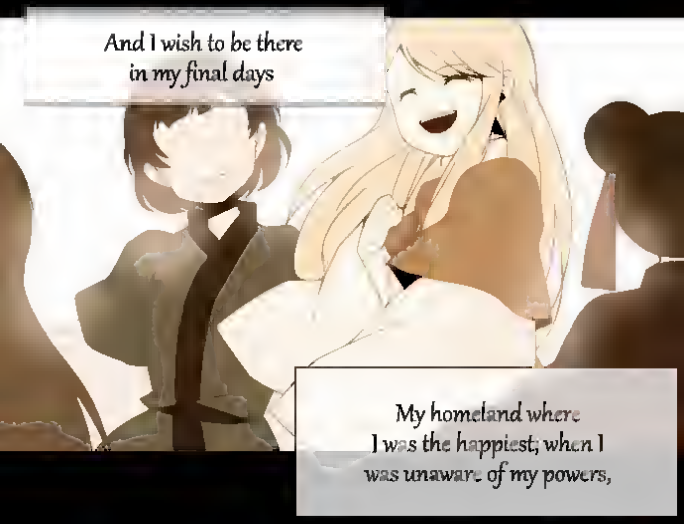
Welcome back to Tae-Ryung Palace

Ga-Bi

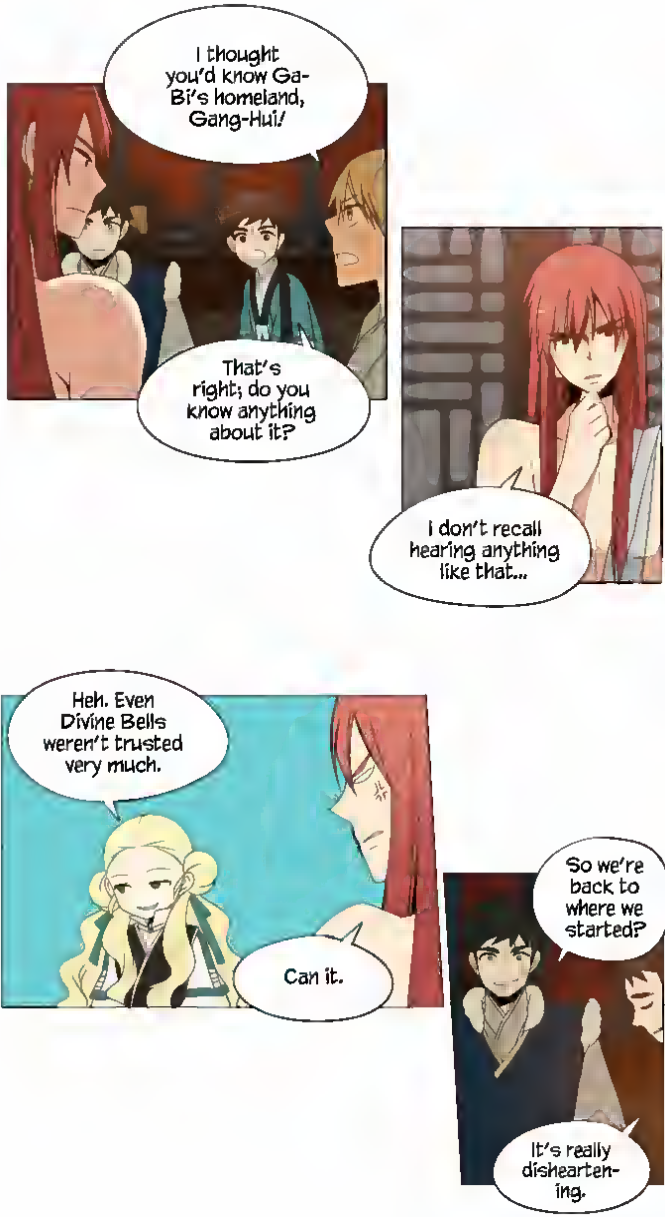
Do I have a limit?



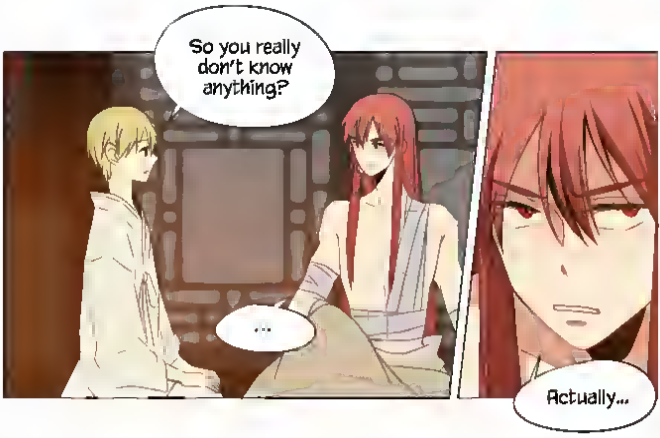


My home country...

So, where is it? That place??
I don't know, either.
WHAT??!
THE MOST IMPORTANT PART IS MISSING???
It seems Baek-Yeom took the most details.
You said you would tell us everything! You didn't even get the details!



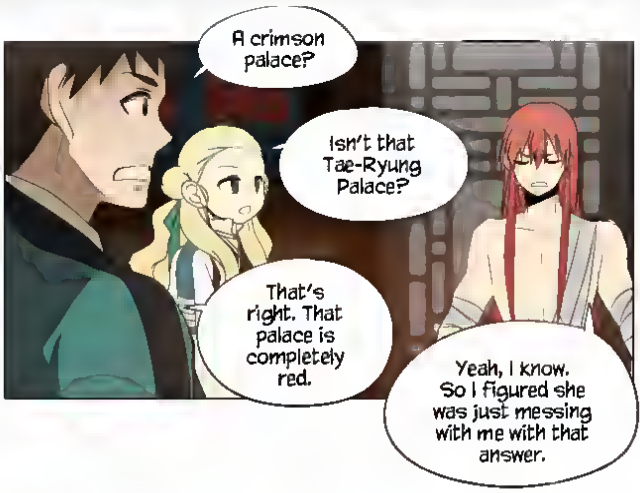
I thought you'd know Ga-Bi's homeland, Gang-Hui!
That's right; do you know anything about it?
I don't recall hearing anything like that...
Heh. Even Divine Bells weren't trusted very much.
Can it.
So we're back to where we started?
It's really disheartening.



...I do recall asking her once.

A land with a crimson palace.
Hmm?

That's my homeland



A crimson palace?
Isn't that Tae-Ryung Palace?
That's right. That palace is completely red.
Yeah, I know. So I figured she was just messing with me with that answer.

A crimson palace...

Chu-Yeon Palace.

The people of Myung-Joo sometimes call Chu-Yeon Palace "The Crimson Palace."
Why? I don't recall it being remotely close to red last time.
Chu-Yeon Palace carries the meaning of being beautiful in autumn.

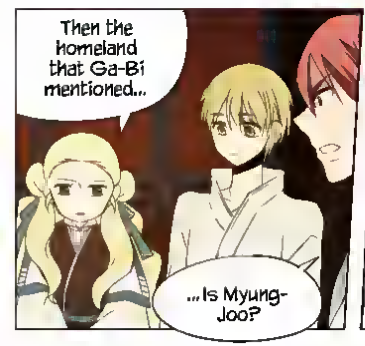
The crimson-dyed trees in autumn are quite something to behold.

The meaning of my name also relates to Chu-Yeon Palace.

Hong-Ryung, do you know why we named you "Hong-Ryung?"
?
You do know that Chu-Yeon Palace is also called Crimson Palace, don't you?
Yes, I do.

Hong-Ryung the Crimson Lord Crimson represents this Chu-Yeon Palace
The Crimson Lord means the Master of Chu-Yeon Palace...

...and hence the Master of Myung-Joo.
That is the meaning of your name Hong-Ryung



Then the homeland that Ga-Bi mentioned...
...Is Myung-Joo?

Then could the "place of camellias drenched in red" be related to Chu-Yeon Palace?

The colors might be related, but Chu-Yeon Palace has no association with camellias.

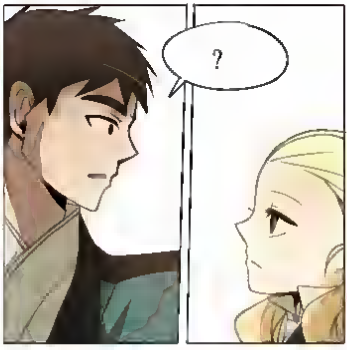
That's right. I don't think you can even find a single camellia.

But if Ga-Bi's homeland is really Myung-Joo, then our search scope is much more limited!

Right. Because Myung-Joo is teeny-weeny.
Glare

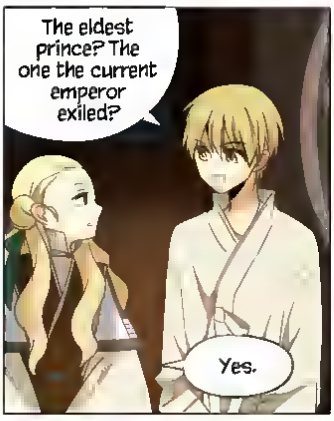
Grrrr!
By the way Ha-Hyeon, didn't you say that you recognized Baek-Yeom?

WHAT? REALLY?



?

He is Jin-Won.
What?



...because Wi-Jin is Jin-Won's brother-in-law.

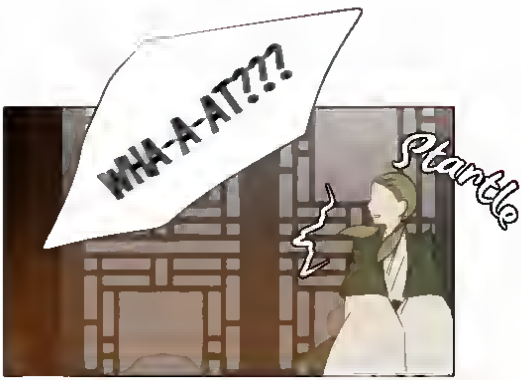
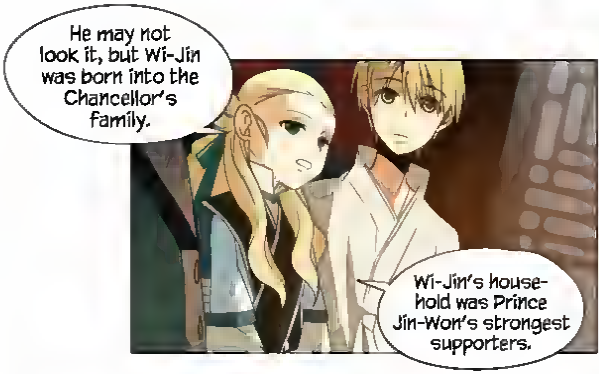
Divine Bells 7

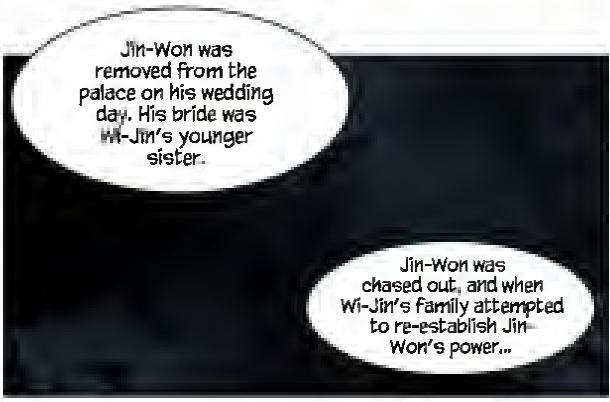
Season 2, Chapter 28

Homeland





He may not look it, but Wi-Jin was born into the Chancellor's family.
Wi-Jin's household was Prince Jin-Won's strongest supporters.

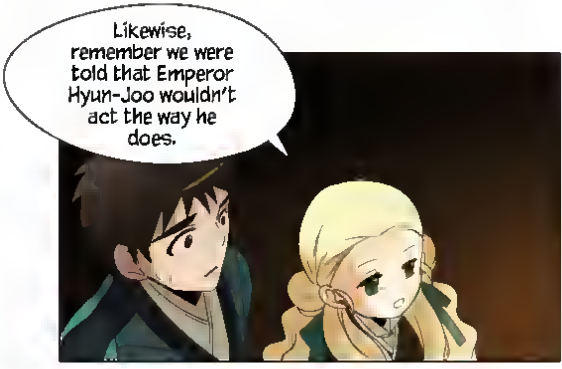


Jin-Won was removed from the palace on his wedding day. His bride was Wi-Jin's younger sister.
Jin-Won was chased out, and when Wi-Jin's family attempted to re-establish Jin-Won's power...

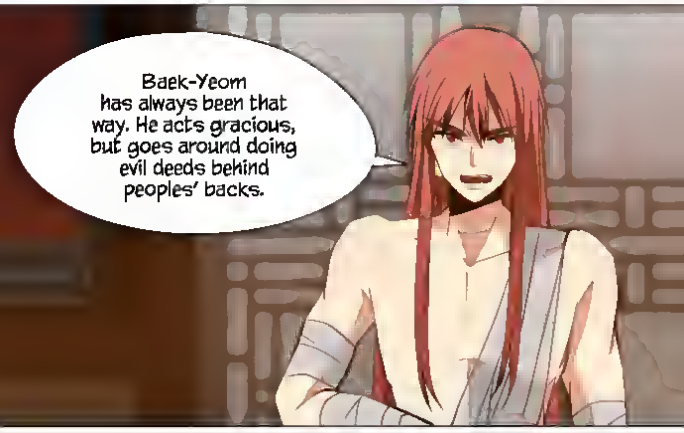
...They were branded as traitors and beheaded.
My grandfather... and my father...
and my mother.
Clench

BUT I HEARD THAT PRINCE JIN-WON DIED ON THE WAY TO HIS PLACE OF EXILE!
There was an accident, and the carriage went over a cliff.
He could've planned that.
Planned everything and faked his death on purpose.
NO, THERE IS NO WAY! PRINCE JIN-WON ISN'T LIKE THAT!
He wouldn't do something like that.

I will always treat your sister well.
I swear.

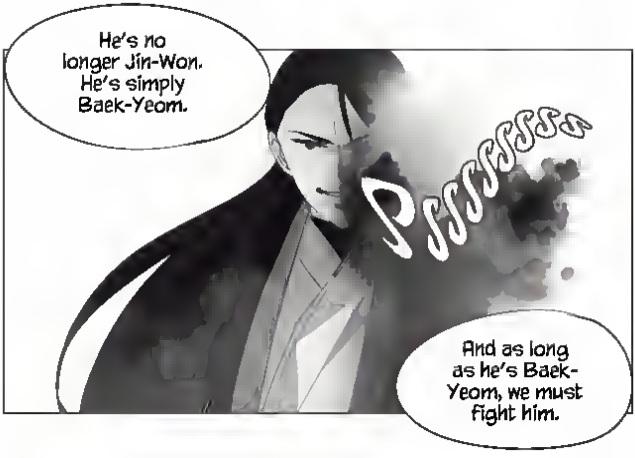


Likewise, remember we were told that Emperor Hyun-Joo wouldn't act the way he does.



Baek-Yeom has always been that way. He acts gracious, but goes around doing evil deeds behind peoples' backs.

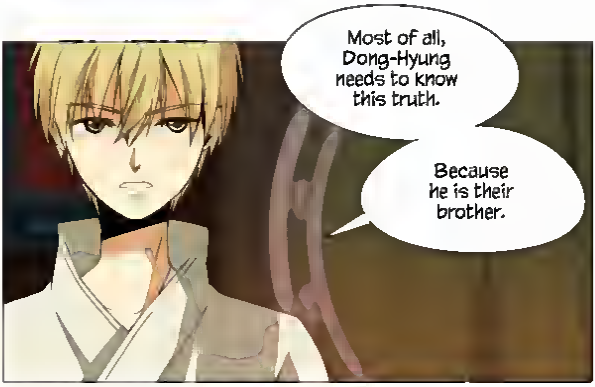
Then what should we do now?



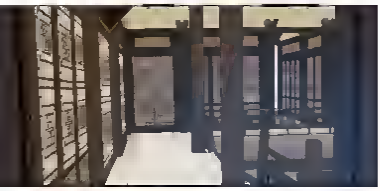
He's no longer Jin-Won. He's simply Baek-Yeom.
Pssssss
And as long as he's Baek-Yeom, we must fight him.

I didn't mean that!
What do we tell Dong-Hyung of this situation?

...and his eldest brother is the one behind it all?
Wouldn't it be better to hide the truth from him?
That's not possible.
How can we tell him that his middle brother...
...has awoken the Divine Bells in a search for Ga-Bi...



Most of all, Dong-Hyung needs to know this truth.
Because he is their brother.



Prince? Is there troubling news in Wi-Jin's report?
...

But I didn't even do anything.
What's with that guy? He looks like he's missing a few marbles.

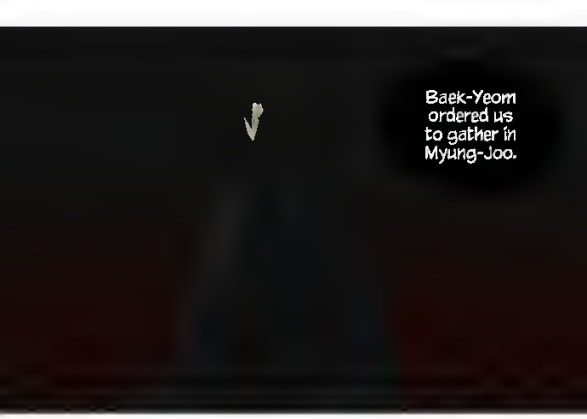
Seems you picked up a kook while I wasn't watching.
What, him? I was bored. He's pretty entertaining.
What does he do?

He's a poet.
Sonnets? Him?
But it's been a while, April. What's up since the last time?

I've been just chatting with someone else.
Someone else?

Mu-Hyang.
I warned you, don't get too close to him.
Oh? Jealous?

I just don't like him
Did you make my child cry??
N-No um you see
Don't be jealous. We'll see each other soon.
?
You can stop wandering around other countries.



Baek-Yeom ordered us to gather in Myung-Joo.

Okay, so we decided that Myung-Joo is our destination.
Where in particular should we go?

I don't think we should look for camellias in Myung-Joo.
We already considered camellia flowers, but there must be something beyond that.
Do you have something in mind?

You know we're looking for a place of "camellias drenched in red,"
but Ga-Bi said that 150 years ago.
You mean it may no longer exist?

It might be gone or changed.
150 years is certainly no short time.

So how will you find the place?

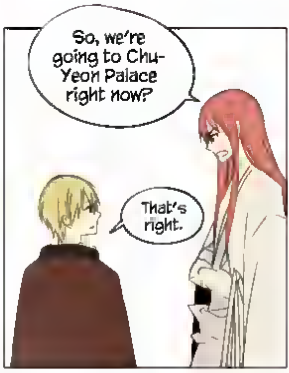
We should look through records documenting the detailed history of Myung-Joo.

Looking for books again?
Can I refuse?
We don't need to find the book. I know where it is.
And where is that?

Hidden deep inside a cave like this one again?

It's obviously in Chu-Yeon Palace.

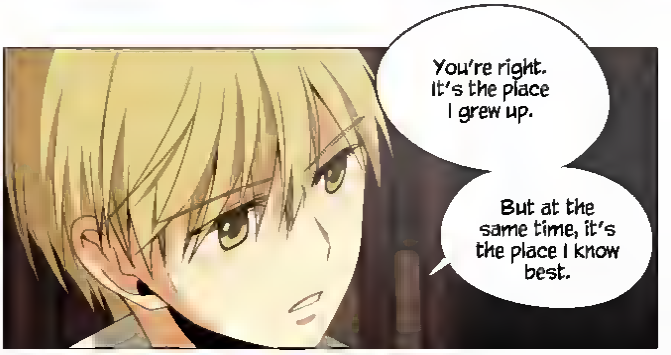
CHU-YEON PALACE?
Yes, surely the historical records of Myung-Joo will be in the palace.



So, we're going to Chu-Yeon Palace right now?
That's right.

But what if your identity is revealed when we go there?
We'll have to avoid that.

You know that's not as easy as it sounds. Of all places - Chu-Yeon Palace!
It's the place where you grew up. It's crawling with people who'll recognize you.



I'm confident that I won't be caught.

I have some good news, so I came to deliver it right away. But maybe the news isn't very good for you.
I suppose it's not, since turmoil in Myung-Joo will inconvenience you.
What are you talking about?
Everyone is converging on Myung-Joo. Maybe your half-brother will come, too.
If he does, you'll have to step down from the throne, Mu-Hyang. So, for you, the news is shocking rather than good, right?

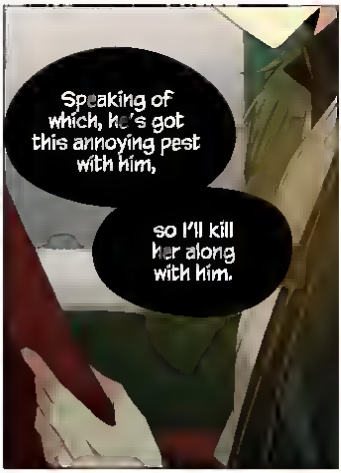
Do you want me to kill him for you?



Speaking of which, he's got this annoying pest with him,

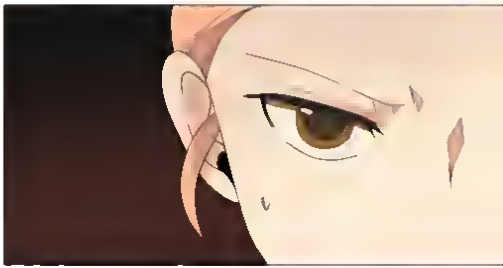
Again and again...

"Ga-Bi is in Myung-Joo."
How dare they screw around with me?

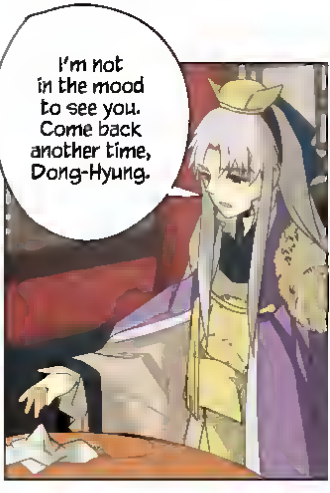
Any reports from the search team?
Nothing yet, sir.
And what about Yun?
Shak
Shak
Even the Divine Bells are useless.
Ga-Bi's powers far surpass yours,
so finding her is no easy task.

There's no point in having Divine Bells —*two* at that— if they're useless.



My lord, Prince Dong-Hyung seeks an audience.

I'm busy. Tell him to come back some other time.
I have something to tell you... something I MUST tell you!

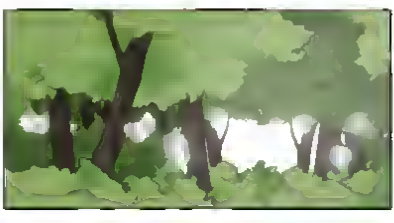


I'm not in the mood to see you. Come back another time, Dong-Hyung.

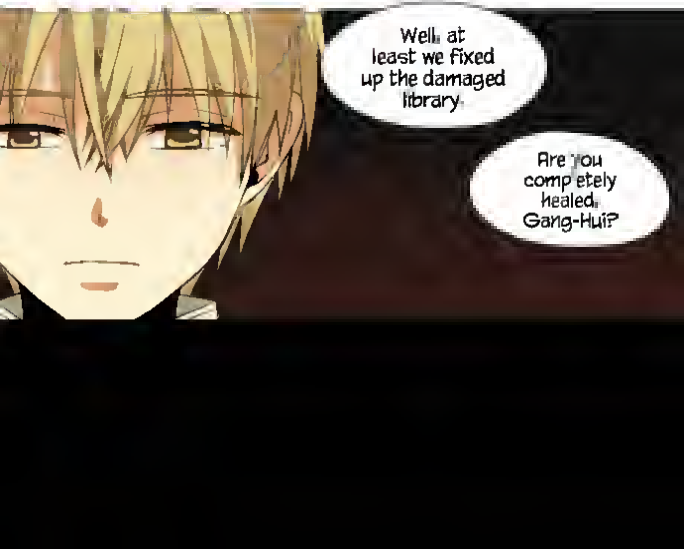
It's about our brother, Jin-Won.
freeze

In that case, come back much, much later.

Hyun-Joo, does the name "Ga-Bi" mean anything to you?



I feel bad to just leave like this after we caused so much trouble.
I know. I don't think we even apologized properly.



Well, at least we fixed up the damaged library.
Are you completely healed, Gang-Hui?

Don't dwell on it too much.
The answer and the truth...
...is what you see and feel.
You don't seem all that happy.
You look pretty gloomy.
Aren't you glad to be returning to Chu-Yeon Palace?
We're not exactly returning victorious, so why would he be happy?
On top of that, we have to sneak in and out.

Is something bothering you, My Lord?

I need a favor from you when we arrive at the palace, Master.

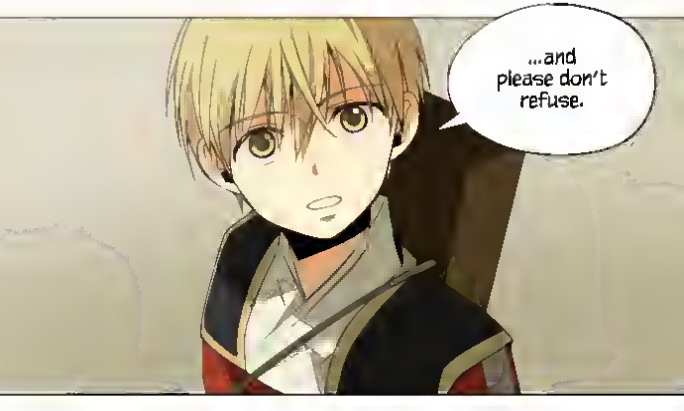
Hear me out,



...and please don't refuse.

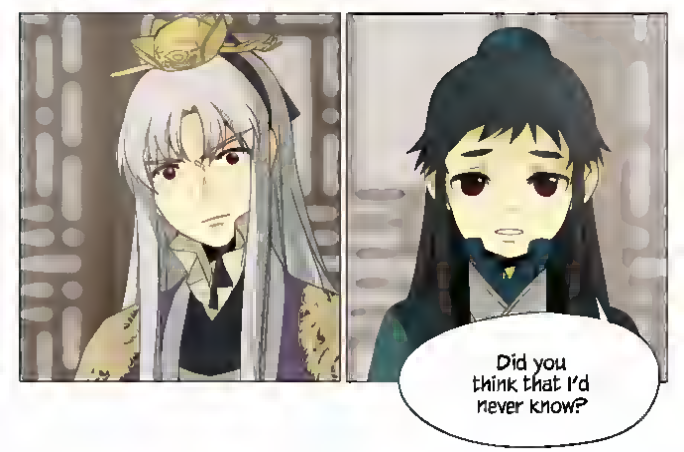
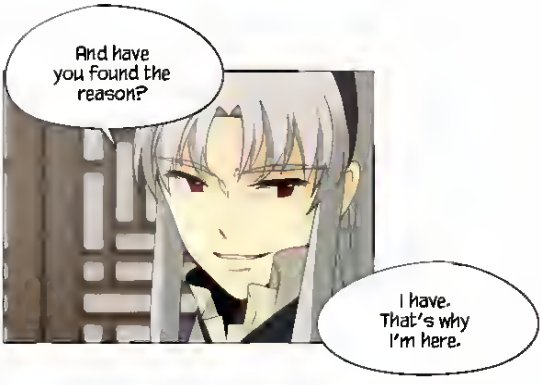
What are you saying, Dong-Hyung?
I'm telling the truth. Our brother, Jin-Won, is behind all of this.
Well, actually, Baek-Yeom

Our brother is dead.
Yes, you murdered him and passed it off as an accident.



Did you think that I'd never know?

Then why have you said nothing until now?
Clench
At first, I didn't want to believe the truth. Then, I was afraid of you and your changed personality.
Finally, I wanted to know the reason. I had to know why you murdered our own brother in cold blood.



And have you found the reason?
I have. That's why I'm here.

PLEASE STOP BEFORE IT'S TOO LATE, BROTHER. EVERYTHING WAS PLANNED OUT BY BAEK-YEOM!

How did you find out that Baek-Yeom has possessed Jin-Won?

Do not worry.
